PARTNERING IN EVANGELISM MARS HILL NETWORK BRINGS SUCCESS IN NY

FRANKLIN GRAHAM

Due in part to the tireless promotional efforts of MHN, the Decision America in stop Syracuse thronged with the greatest attendance of the seven city Northeast tour. A record breaking 6,500 people filled the Lakeview Amphitheater with many coming forward to give their life to Christ.

DR. DAVID JEREMIAH

MHN joined Dr. David Jeremiah for an evening of unstoppable strength, unmovable faith, and unbelievable power. MHN also gave the opportunity for many to be blessed to the Overcomers Tour 2019 event in Rochester to fight back defeat and live with renewed faith. Many thanks for Dr. Jeremiah coming to NY.

MHN'S NEW PROGRAM FEATURE TODAY'S CHILD, TOMORROW'S CHURCH

Without a doubt, our greatest resource for the church is its children. Yet we're hearing that the traditional church Sunday School and its outreach is on the decline in many of today's churches.

The Mars Hill Network continues its commitment to children's ministry by teaming up with Emily Ramsdell Director of the Syracuse area Child Evangelism Fellowship in creating a new information packed practical radio program for adults called Today's Child.

This instructive program focuses on Emily's teaching experience as a CEF leader and offers priceless advice. Today's Child will help those with a heart for children to learn practical ways in teaching and mentoring children, and encourage listeners to become involved in children's ministry, perhaps even orchestrating a CEF Good News Club in their public school!

Listen each Saturday morning after the 11 o'clock news and be challenged, be motivated, and be equipped to reach Today's Child... Tomorrow's Church.

WAYNE TAYLOR, GENERAL MANAGER

When the switch was thrown March 9, 1969, the founders of WMHR 102.9 FM had no idea of what God would do during these many years of Christian broadcast service.

Since that historic day in 1969, the single station WMHR at 102.9 FM has grown to become a network of radio stations throughout upstate NY, broadcasting as far west as Rochester, eastwards to Utica, to the south into Cortland and to the north into Watertown, Malone, and across the border into Canada.

The Mars Hill Network now operates six full power stations and 15 repeater translator stations delivering Christian programming to hundreds of NY and Canadian communities. Mars Hill powerfully proclaims the gospel message of salvation, boldly declares the all-inclusive Word of God, and carefully selects the best of Christ honoring Christian music.

We're proud, yet humbled with our consistent Christ honoring heritage. This legacy is a reflection of the men and women who served and guarded the mission of Mars Hill Broadcasting over a span of five decades.

Now we begin a new 50 year era in our broadcast history. Because of the gifts of faithful listeners and business underwriting partners, we can move forward in our revered call to media ministry.

What could be more fitting than to begin this new era with yet another opportunity to reach into the lives of thousands of people with the message of hope found in Christ?

That opportunity has now come to the Mars Hill Network.

Because of delegated memorial gifts given, both large and small to Mars Hill over the years, and interested business partners, God has now entrusted/commended to this Christian radio ministry a new and challenging commission/directive to minister to those who live in the Capital District of New York State. God has opened an outreach door that once was only a whispered prayer by the Mars Hill Network's Board of Directors and friends of this ministry. The Mars Hill Network is delighted to add to its family of stations, FM 96.7 Clifton Park, NY. This radio station's signal will cover a significant portion of New York's Capital District, Albany, Schenectady, Troy, and beyond.

We don't take this God given assignment lightly. We know that spiritual battles await all ministries that proclaim Jesus Christ, but we also recognize that God has called the Mars Hill Network and our ministry partners to this mission field. He has granted us guardianship of this powerful means of communicating eternal truth to those living in the Capital District, Mohawk and Hudson Valley regions.

There are challenges ahead, but as young David proclaimed, "the battle is the Lord's". There are victories around the bend, but we rise up to meet the challenge mapped out for us by God.

Won't you pray for the Mars Hill Network as we mount up and move into this new venture? And to those in Albany, NY and surrounding areas... "We're blessed to be your new neighbor".
