

## Hope in the Journey

Sept. 1, 2020

Greetings Mars Hill Listener.

With the coming fall season comes a change in our perspective. What was the lazy, hazy, lazy days of summer syndrome, now becomes a kick start into a new season of challenges.

For all of us here at Mars Hill, the autumn also brings with it our Harvest fundraiser. Though not our “main” fundraising campaign, it is a very important one. It not only provides additional needed funds for ministry operation, but Harvest helps us to gage the success of our network development.

Though listeners may give on-line or by or by postal mail, we invite you to join us for our on-air Harvest event October 22 and 23. During that time you can call our Harvest operators and donate by phone.

Whatever method you choose, please still tune in and listen to us during Harvest 2020. You’ll get to know our staff in a more personal way as they share with listeners the value of Christian radio and media outreach in a world so desperately needing the Savior.

God’s blessings on you,
