Dear Mars Hill Friend,

You may have already heard our radio promo, or seen our web site or social media posting that alerts us all that November is “Life Changing Missions Month” here at Mars Hill!

We’re all blessed by the ministry of our local “rescue” missions. Our communities are better because of them. People are cared for in the name of Jesus. Families are routinely healed and liberated from the ravages of addictions. Your neighbors are restored and given dignity, given another chance to give meaning to their lives.

The Mars Hill Network honors these missions, and those who give of their time and resources ministering to those who have run headlong into often seemingly overwhelming life barriers.

During November, you’ll be reminded of your community mission out-reaches. You’ll hear from those who serve and from those who are served.

Won’t you consider supporting your community mission with your time and with your finances?

Please consider making your mission a part of your holiday tradition.

With you in the mission,

Wayne Taylor
General Manager
