Dear Listening Friends,

You most likely are familiar with these familiar seasonal song lyrics:

Well, it is true that a good number of us in this part of the country take the bulk of our vacation time during the summer. Whether it be day trips, camp outs, home projects, or just lounging around and enjoying the warmer temperatures, summer spells vacation.

During this “more relaxed” time of the year, *the Mars Hill Network zealously continues its mission of connecting with people, and working to connect those people to God.*

Our broadcast day, overflowing with its many powerfully charged Bible based programs, continues to challenge and to refresh the hearts and minds of those who love the Lord. The Word of God, alive and powerful as it is, breaches the strongholds of the hearts of the lost, and as the Holy Spirit moves upon the hearer, brings conviction of sin and opens those hearts to the new birth.

The work of the **Mars Hill Network** never takes a vacation, never goes on leave, never takes the “easy livin’ path, even during the summer. *Hope in the journey...24/7/365!*

We’re glad you’re part of our listening family, we’re glad to be serving you in Christian media ministry...summer, spring, winter or fall.

Thank you. You are appreciated!

Serving you with Hope,

Wayne Taylor

General Manager
