### Greetings Mars Hill Friend,

At this time of year we think much about the giving of gifts to those we love and appreciate. Often, we go an extra mile in the holiday season and reach out to people or organizations that minister in a tangible way.

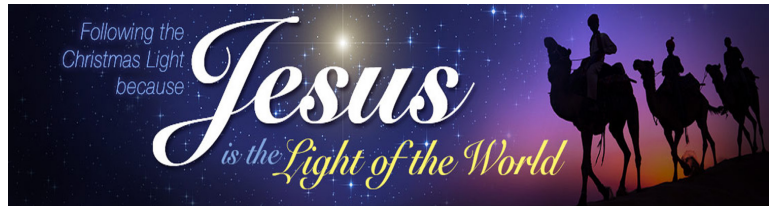

Granted, radio and gospel media is not tangible like a hot meal or warm clothing or a small gift presented to the mail delivery person, but the broadcasting of the Word of God often brings the gift of eternal life to those who need the Savior, or brings joy to those who know Christ, but are struggling over life's unplanned hurdles. The gift of Christian teaching can also take a believer from a nominal spiritual walk and, by the power of God, dynamically move them into a vibrant Christian life.

During this Christmas Season, when we as believers proclaim the wonderful birth of God's Son, Jesus, won't you consider how you might help the Mars Hill Network in its mission of proclaiming, Hope in the Journey?

With your help, we'll move forward...as we look upward!

### Moving Forward & Looking Upward,
