Greetings Mars Hill Friend,

Twenty twenty-two will no doubt be another year of challenge here in the United States, Canada, as well as around the globe. However, as believers we have the wonderful privilege of clinging to the promises given to God’s children in the Holy Scriptures. What a hope we have!

The Mars Hill Network continues its mission of broadcasting the Word of God through its family of radio stations across upstate New York, globally on our various social media platforms, and our audio stream accessible through the Mars Hill app and our web site. God has entrusted us with a massive and sacred responsibility to proclaim His Word...and that is our mission.

As we live in 2022, let us strive to be faithful to the One who has rescued us, and the one who alone gives us “Hope in the Journey”.

Moving Forward & Looking Upward,

Wayne Taylor
General Manager
